Re: Petition for Reconsideration and Stay of Action
Final Monograph for OTC Antiperspirant Drugs
68 Fed. Reg. 34273 (June 9, 2003)
Docket No. 78N-0064

Revlon, Inc., submits this additional information, as requested by the FDA Division of OTC Drugs. Attached is one version of a claim for more than 24 hour effectiveness for a Revlon antiperspirant drug. Revlon believes that, under the First Amendment, it has the right to make not just the 48 hour claim that is attached, but also claims of longer duration of effectiveness when supported by scientific evidence.
